MEMORANDUM FOR: Distribution List

SUBJECT : Armed Services Grade Standard

1. Attached is the first USIB data standard, Armed Services Grade. This standard was developed by the Defense Intelligence Agency at the request of USIB's Intelligence Information Handling Committee. In agencies of the Department of Defense it is alternately known as DoD standard DIAM 65-14.

2. DIA is also designated the Assigned Responsible Agency for the maintenance of this standard. Any additions, modifications, or corrections are to be sent directly to the Defense Intelligence Agency, Attn: DS5D3, Washington D. C. 20301. For additional copies of this standard, also please contact DIA.
